

Acceptable Items:

Paper

Newspaper, Magazines, Phonebooks, Office Paper, Junk Mail. (Staples, paperclips, clear windows on envelopes are okay) Please no neon colored paper.

Plastic Bottles (#1 and #2)

should have either ♻️ ♻️ on the bottom. Should be a bottle having a neck smaller than it's largest diameter. Please rinse crush to save space.

Aluminum and Steel (tin) cans

Feel free to crush them

Cardboard

Cardboard boxes, cereal boxes, etc. Please flatten all boxes, an unbroken down box has a huge amount of empty space.

About Us:

This program is part of the Gallatin Solid Waste Management District. We attempt to divert as much recyclable materials from the landfill as possible and ship the collected materials to markets around the country to support the program. Sale of these materials, along with revenue from the District, pays for fuel, freight, containers, wages, and administrative costs. Your cooperation makes this program possible and keeps it going.

Thank You.

Unacceptable Items For Collection Sites

Household garbage

Glass – Unfortunately, we cannot accept glass at this time, as it currently has a negative value in Montana. We hope to have a solution soon.
