

Gasoline

Very small quantities (less than a quart) can be brushed on a board or mixed with floor dry in a well ventilated area and allowed to evaporate.

- Bozeman HHW Convenience Site 587-7890.

Herbicides and Pesticides

For household use, buy only what you need and apply following product instructions. Using more than directed is not better, and can contaminate water resources. Disposal options for unwanted product:

- Small quantities: Bozeman HHW Convenience Site 587-7890
- Large quantities: MT Dept. of Agriculture Pesticide Collection Program (406) 444-5400

Mineral Spirits and Thinners

If you have a small amount, brush onto a board in a well-ventilated area and let evaporate; dispose of board in trash. If useable, give to a relative, friend or neighbor.

- Bozeman HHW Convenience Site 587-7890

Paint

Oil base paint (mineral spirit cleanup)— (1) Give useable paint to friends or neighbors who can use it. (2) Take unwanted paint to the Bozeman HHW Convenience Site (587-7890). (3) Small amounts can be painted on a board, allowed to dry, and then placed in trash. (4) Avoid buying oil-base paint in the future.

Latex paint (water-based cleanup)— Disposal options: 1) Take useable paint to the Annual Latex Paint Swap held last Saturday in June at Gallatin Co. Fairgrounds. For more info call Bozeman Recycling Coalition at 586-7671. (2) Give useable paint to someone to use. (3) If the paint is not good, dry it out using an absorbent such as kitty litter or floor dry and put in trash. (4) Paint newspapers or a board, once dry, dispose of in trash.

Pharmaceuticals (Medications)

Do not flush unused medications down the drain or toilet or dispose of in the trash.

- Bozeman HHW Convenience Site 587-7890

Photographic Chemicals

- Bozeman HHW Convenience Site 587-7890

If you are connected to a municipal sewer most photographic chemicals can be flushed down the drain followed by lots of water. **DO NOT** flush **selenium toners or solvents**. Fixers may be flushed down the drain only after silver recovery. If you are on a septic system, DO NOT flush any photographic chemicals down the drain.

Rechargeable Batteries (nickel cadmium, nickel metal hydride)

Take to these locations in Bozeman or Belgrade:

- Owenhouse Ace Hardware 587-5401
- Radio Shack, 2855 N 19th Ave 587-1613
- Belgrade Electronics, 203 W Madison Ave 388-1902
- Batteries Plus, 502 Professional Dr 994-0044
- Bozeman HHW Convenience Site 587-7890

Used Motor Oil, Oil Filters

- Bozeman City Shops Complex, 814 N. Bozeman Ave (5 gallon limit/person, No businesses) Hours: 8-5, M-F 582-3200
- Bozeman HHW Convenience Site 587-7890
- Logan Landfill 582-2495
- Speedy Lube, 483 N 7th Ave 586-2303
- Wal-Mart, Tire & Lube Express, N 7th Ave 585-8642

Gallatin Local Water Quality District

Disposal Options

STORAGE AND HANDLING

Properly labeling and storing hazardous chemicals is a good idea for general household safety. Store in a cool, dry location away from children and pets until you are ready to properly dispose. For questions or more information about proper household hazardous waste (HHW) disposal, call the Gallatin Local Water Quality District at 582-3148.

BOZEMAN CONVENIENCE SITE and the LOGAN LANDFILL DROP-OFF SITE

Bozeman Convenience Site: 2143 Story Mill Rd. Open Tues–Sat 8:00 a.m.–3:30 p.m. Accepted materials include most products in this brochure. **Logan Landfill Drop-Off Site:** Monday–Saturday 7:30 a.m.– 4:30 p.m. Accepts oil, antifreeze and batteries. For disposal of items not listed here or for more information call the Gallatin Solid Waste Management District at 587-7890.

HIGH RISK HOUSEHOLD HAZARDOUS WASTE

The following products pose an **extremely high risk** of contaminating our ground water and surface water if not disposed of properly.

Mercury (thermometers, thermostats, liquid)

NEVER dispose of down the drain or in the trash! For proper disposal contact:

- Gallatin Co Environmental Health 582-3120
- Montana State University-Bozeman 994-3572

Fluorescent (compact & ballast) Bulbs

These contain mercury. **NEVER** break or dispose of in the trash!

- Bozeman HHW Convenience Site (residential)
- Crescent Electric Supply Co, 1701 Evergreen Dr, Bozeman 586-4545 (commercial only)

PCBs or PCB Ballasts (polychlorinated biphenyls)

PCBs are oily liquids or solids, are colorless to light yellow with no smell or taste. Used in the manufacturing industry, this group of synthetic organic chemicals can cause numerous harmful health effects. Production of PCBs ceased in 1977. Older transformers, old fluorescent light fixtures, TVs, refrigerators, and hydraulic oil may contain PCBs if made before production stopped. **NEVER** dispose of down the drain or in the trash!

For proper disposal contact:

- Montana State University-Bozeman 994-3572

Chlorinated Solvents

(brake cleaners, spot removers, degreasers, etc.)

Chlorinated solvents are petrochemicals that are chemically altered and not found anywhere in nature. They are extremely toxic, even at low concentrations. Chlorine makes the solvent more stable. That stability means the substance is slow to break down into non-toxic components when discarded. Chlorinated solvents have a high potential to contaminate water supplies. **NEVER** dispose of down the drain or in the trash! Avoid buying or using products containing “chloro-” in the name (trichloroethylene, perchloroethylene, etc.). Use non-chlorinated solvents instead.

For proper disposal of chlorinated solvents take to:

- Bozeman HHW Convenience Site 587-7890

Electronic Waste (computers, TVs, PDAs, etc.)

These contain lead, cadmium, mercury and other heavy metals. **NEVER** dispose of in the trash!

Gallatin County Solid Waste Management District accepts e-waste for recycling and at the Bozeman HHW Convenience Site.

- Logan Landfill Scale House 582-2495
Fees: Residential (\$5 minimum, \$27/ton)
Commercial/Business (\$5 minimum, \$48/ton)
- Bozeman HHW Convenience Site 587-7890

Most computer manufacturers have take-back programs. The following retailers accept e-waste for proper disposal. There will be a fee.

- Office Depot, 1475 N 19th Ave, Bozeman 586-7129
- Staples (2 locations in Bozeman):
 - 200 S 23rd Ave 582-4450
 - 2975 Max Ave 585-1235

DISPOSAL OPTIONS FROM A-Z

Acids

Very small amounts may be flushed down the drain followed by lots of water if you are serviced by a municipal wastewater treatment plant. Consider using a less hazardous product. Take unwanted product to the Bozeman HHW Convenience Site.

Adhesives, Contact Cement, Roofing Tar

Dispose of solids in the trash. If in liquid form, allow to harden and put in the trash or take to the Bozeman HHW Convenience Site.

Antifreeze

Take to the following locations in Bozeman for recycling or contact a local auto shop in your town.

- Bozeman City Shops, 814 N. Bozeman Ave. (5 gallon limit/person, no businesses)
Hours: 8-5 M-F 582-3200
- Speedy Lube, 438 N. 7th Avenue 586-2303
- HHW Convenience Site 587-7890
- Logan Landfill 582-2495

Asbestos

Contact one of these agencies for a list of licensed contractors to make arrangements for collection:

- MSU-Extension Service 994-3451
- Dept of Environmental Quality Air & Waste Management Bureau, Helena 444-3490

Automotive Batteries

These entities and retailers will take your used battery for recycling and proper disposal:

- Logan Landfill 582-2495 (Scale House)
- Bozeman HHW Convenience Site 587-7890
- O’Reilly Auto (Bozeman, Belgrade, Four Corners locations); 586-2378 (Bozeman store)
- NAPA Auto, 514 W Aspen, Bozeman 587-9212
- Checker, 200 S 23rd Ave, Bozeman 587-0984
- Car Quest/Valley Motor Supply (Bozeman, Belgrade, and Three Forks locations)
- Wal-Mart, Bozeman 585-8642
